**JetSort® 1000**  
High Speed Coin Sorter/Counter

**JetScan®**  
High Speed Currency Scanner

Cummins provides a powerful integrated system incorporating hardware and software for fast and accurate accounting and permanent record of all your transactions. The Cummins JetSort® 1000 Coin Sorter/Counter and JetScan® Currency Scanner may be purchased and operated separately.

If you are spending lengthy, unnecessary time processing your cash and coins manually at the end of the day, you need Cummins.
